BECOME AN INCLUSIVE EMPLOYER 1 DAY WORKSHOP

As one of three national Centres for Excellence in SEND, we are delighted to launch a brand-new and innovative training workshop:

Understanding Neurodiverse Minds

The concept of neurodiversity aims to reduce stigma around learning and thinking.

Inclusive Recruitment and retainment of staff

Inclusive recruitment minimises barriers and presents your organisation as inclusive and welcoming, enabling you to attract anyone with the right skill set, regardless of need.

Reasonable Adjustments and Ongoing Support

Employers have a duty under the Equality Act 2010 to make 'reasonable adjustments' in the workplace where a person could otherwise be put at a substantial disadvantage compared with their colleagues.

Signposting and Q&A

On completion of the course we encourage employers to sign up to the Disability Confident scheme and change behaviour and cultures in their own businesses.

There will be an opportunity for Q&A where specialist staff can provide answers to further enhance your business.

Following this we can arrange for training to be carried out on a range of specialist areas including; Communication, Dyslexia, Dyscalculia, Physical disabilities, Language, Autism, Mental Health, British Sign Language and many, many more.
