PROJECT *Pilot*

Project Pilot is a new Supported Internship Programme being set up in Bristol to support young people with learning disabilities or autism into paid work.

Project Pilot is a 12-month programme that starts in April 2024 and offers:

- Lots of time in the workplace with some base-room activity
- Up to three supported work placements
- Support to find and apply for jobs
- In-work support to both employee and employer

We are looking for 10 participants who:

- Are aged 18-24
- Are keen to find paid work,
- Have a basic understanding of what work or work experience is
- Have SEND and complex support requirements
- Live in Bristol
- Are able to travel and willing to learn new routes
- Are keen to attend base-room activity
- Have the right to work in the UK
- Have parents/carers who share their aspirations and are willing to provide support
- Have not been on an internship or traineeship
- Do not have an EHCP
