

PROJECT

Pilot

Project Pilot is a **Supported Internship** in Bristol run by Sixteen Co-operative Ltd and Bristol City Council that aims to support young people with learning disabilities or autism, who do not have an EHCP, into paid work

No
EHCP!

Pilot

We are looking for participants who:

- Are aged 18-24
- Are keen to find paid work, have a basic understanding of what work is, and/or have previous experience of work or work experience
- Have SEND and complex support requirements
- Are or have been NEET/Risk of NEET – SEMH or leaving Alternative Provision
- Are living in the Bristol area with the ability to travel and a willingness to learn new routes
- Are willing to attend base-room group learning one day a week
- Have the right to work in the UK
- Have parents/carers who share their aspirations and are willing to provide support
- Do not currently have an Educational Health Care Plan
- Have not participated on a previous internship or traineeship

The 15-month programme will start in April 2025 and comprise of:

- Formal education with a blend of base-room and supported work-place learning
- Up to three supported work placements
- Support to find and apply for jobs
- In-work support to both employee and employer

If you work with or know a young person who might be suitable, please contact Rob Parry,

Programme Co-ordinator for further details:
